# **IHL Excellence**

# Hexagon®

### Legal Operations Excellence

Designed by lawyers for lawyers.

# **Hex Appeal**

Hexagon<sup>®</sup> takes its name from nature's favourite structural form. From honeycomb to turtle shells, the hexagon is ubiquitous and offers an extremely strong structure with no wasted space.

The singular focus of the Hexagon® team is to help you eliminate wasted time and resource and find your optimal structure and process design.

# **Better by Friday**

Give us as little as five days and Hexagon® will guide you using the latest market best practice and real data to help you find what works for your team to deliver cost savings, time efficiencies and a more motivated legal team that's best equipped to deal with the requirements of your business.

Contact us <u>here</u> for a free of charge consultation to understand your challenges and explain how we can help.

## **The Excellence Adventure**

## 1. GC Priority Assessment:

exploratory session with the GC to establish current challenges.

# 6. Check In Workshops:

your improvement cycle continues with periodic check in workshops with the Hexagon® team to analyse longer term success and any areas for recalibration over time.

### 2. Stakeholder Priority Assessment:

exploratory sessions with key business stakeholders to establish current requirements.

## 5. Deployment:

the Hexagon<sup>®</sup> team will help you to manage the deployment of the agreed strategy and implement new technology, policies and procedures.

## 3. Team Workshops:

Hexagon® workshops are expertly designed to report on the exploratory sessions, review real data and engage in a collaborative discussion to identify improvement opportunities.

## 4. Strategy Plan:

Hexagon® strategy plan brings together the threads from the exploratory sessions and workshops in a comprehensive strategy with operational recommendations, deployment guidance and indicative ROI. The value of my team is transformed the business regards us as a true ally. By refreshing our processes and using Shoosmiths' leading IHL legal tech solutions smartly we are now seen as aligned, forward looking and super-responsive. Sarah Holford, Scania
